

known for organizing mentorship and tutoring programs at his alma mater, Los Angeles High School. He supported countless charitable causes and was a beloved leader in California's Jewish community.

I first met Bruce in 1994, when I was a Coro Fellow. Over the years, we bonded over talks of family, community, and leadership, as well as baseball, movies, and just a little politics. He always supported my public service aspirations. And he was an invaluable partner in fulfilling one of my passion projects, to open a state-of-the-art children's museum in the San Fernando Valley. After a 14-year journey, the Discovery Cube Los Angeles opened its doors in 2014.

Bruce was incredibly kind, wise, generous, and compassionate. Everyone who knew Bruce felt blessed by his infectious and infinite optimism and inspiration. On a personal note, I remain in incredible admiration of the love that he and his wife Toni shared. It reminds me so much of the love and commitment my own parents shared.

My wife Angela and I send our deepest condolences, love, and prayers to Toni Corwin and the entire Corwin family. We were blessed to share in so many great memories with the countless people around the country that Bruce touched and inspired throughout his life.●

RECOGNIZING TRAILS WEST

● Mr. RISCH. Madam President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today, I am pleased to honor Trails West in Preston as the Idaho Small Business of the Month for December 2021.

Trails West, renowned for its world-class craftsmanship and innovative designs, is the No. 1 manufacturer of horse, living quarter, and stock trailers in the United States. Founder Steve Reeder worked in RV manufacturing before returning to his hometown of Weston to raise his family. After several years of working on his family's farm, Steve saw an opportunity to revitalize a struggling local manufacturer. Armed with expertise in RV manufacturing and business acumen, Steve hired the former business' laid-off employees and established Trails West in 1987.

Trails West manufactures with customer experience in mind. The company was one of the first to recognize women as the largest demographic of horse trailer owners, prompting them to incorporate consumer-friendly innovations into their designs. In addition, Trails West stands out in the industry by utilizing steel frames to deliver a long-lasting and reliable product to their customers. Thanks to their success and devotion to crafting the best

trailers possible, Trails West has grown to employ more than 160 Idahoans and is recognized as the premier manufacturer of horse trailers in the country.

While the company has gained national fame and recognition, Trails West has stayed true to its Idaho roots. Both the Reeder family and Trails West have donated generously to local schools, supported the construction of athletic facilities, and sponsored the purchase of books and playground equipment. Through their entrepreneurship and philanthropy, Trails West has become a testament to Idaho's thriving small business culture and shines as one of the State's many local gems.

Congratulations to the entire Trails West team on being selected as the Idaho Small Business of the Month for December 2021. You make our great State proud, and I look forward to your continued growth and success.●

MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mr. Swann, one of his secretaries.

EXECUTIVE MESSAGES REFERRED

As in executive session the Presiding Officer laid before the Senate messages from the President of the United States submitting sundry nominations which were referred to the appropriate committees.

(The messages received today are printed at the end of the Senate proceedings.)

PRESIDENTIAL MESSAGE

TEXT OF AN AGREEMENT BETWEEN THE GOVERNMENT OF THE UNITED STATES OF AMERICA, THE GOVERNMENT OF AUSTRALIA, AND THE GOVERNMENT OF THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND (THE "UNITED KINGDOM") FOR THE EXCHANGE OF NAVAL NUCLEAR PROPULSION INFORMATION—PM 19

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Foreign Relations:

To the Congress of the United States:

I am pleased to transmit to the Congress, pursuant to section 123 d. of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2153(d)), the text of an Agreement between the Government of the United States of America, the Government of Australia, and the Government of the United Kingdom of Great Britain and Northern Ireland (the "United Kingdom") for the Exchange of Naval Nuclear Propulsion Information (the

"Agreement"). I am also pleased to transmit my written approval, authorization, and determination concerning the Agreement. The memorandum submitted to me by the Secretary of Energy providing a summary position on the Agreement is also enclosed.

Pursuant to the enhanced trilateral security partnership called "AUKUS" announced earlier this year, our three governments are engaging in an 18-month consultation period to seek an optimal pathway for delivery of nuclear-powered submarines for the Royal Australian Navy at the earliest achievable date. The Agreement would permit the three Parties to communicate and exchange Naval Nuclear Propulsion Information and would provide authorization to share certain Restricted Data as may be needed during trilateral discussions, thereby enabling full and effective consultations.

In my judgment, the Agreement meets all statutory requirements.

I have determined that the United Kingdom and Australia, by participating with the United States pursuant to international arrangements, are making substantial and material contributions to the mutual defense and security. The United Kingdom is party to the North Atlantic Treaty, and Australia is party to the Australia, New Zealand, and United States Security Treaty.

I have approved the Agreement, authorized its execution, and urge that the Congress give it favorable consideration.

JOSEPH R. BIDEN, Jr.,

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-94. A resolution adopted by the Senate of the State of Michigan urging the United States Congress to oppose unnecessary and harmful changes to Internal Revenue Service reporting requirements for Michigan's financial institutions; to the Committee on Finance.

SENATE RESOLUTION NO. 85

Whereas, The U.S. Department of Treasury has proposed requiring financial institutions to report financial account information for accounts with a gross flow threshold or fair market value of \$600 or more. The proposal calls for financial institutions to report gross inflows and outflows with a breakdown for physical cash, transactions with foreign accounts, and transfers to and from another account with the same owner. It would apply to business and personal accounts, including bank, loan, and investment accounts at those financial institutions subject to the proposed requirement; and

Whereas, there are very real concerns over data privacy and security if this proposed Internal Revenue Service reporting requirement, or a similar requirement, is put in place. Keeping member and customer account information private and secure is among the primary goals of all financial institutions in Michigan and this proposal could jeopardize the security of accounts and personal information. As we have seen, numerous government data breaches have occurred in recent years. Moreover, the proposal constitutes an invasion of consumer privacy; and

Whereas, Financial institutions throughout our state and country are already subject to many burdensome regulations that increase costs, damage customer relations, and otherwise hurt these businesses. The adoption of this extensive and intrusive financial reporting proposal would deepen that burden for Michigan's community-based and other financial institutions; now, there, be it

Resolved by the Senate, That we urge the United States Congress to oppose unnecessary and harmful changes to Internal Revenue Service reporting requirements for Michigan's financial institutions; and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives, the President of the United States Senate, and members of the Michigan congressional delegation, and the chairs of the United States
